We'd Love to See You There!

Whether you're a past, current, or future parishioner - or a friend we haven't met yet - we welcome all here. The afternoon will include food, fun, and a look at our church home's deep roots.

Celebrate Trinity's 150th with a Gift to Camp Hispaniola

Located in both Haiti and the Dominican Republic, Camp Hispaniola is a free summer camp for local children there, a longtime mission of fellow parishioner Marc-Yves Regis. Trinity aims to support every year!

The goal: to fill a shipping container with new or used soccer gear for youth. We will also be running local gear drives later in the fall and next spring, but this will be our kickoff. Don't have gear to donate? We'll have a donation jar to collect funds to cover shipping costs for the much-needed supplies.

Need to donate by mail? Checks can be mailed to Trinity Episcopal Church, PO Box 374, Collinsville, CT 06022. Please make out checks to Trinity Church with "Camp Hispaniola" in the memo line.
